# Shields and Castles Activity Pages

[HappyandBlessedHome.com](http://HappyandBlessedHome.com)

These shields are examples of shields from medieval times. You can print doubles to create a “go-fish” type matching game. Or turn all the cards face down for a memory game by matching only one card at a time as one is turned over.

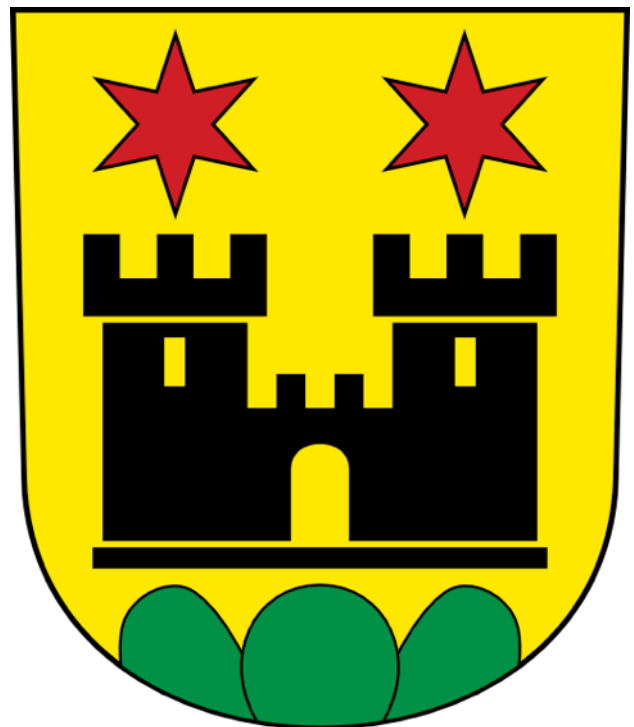

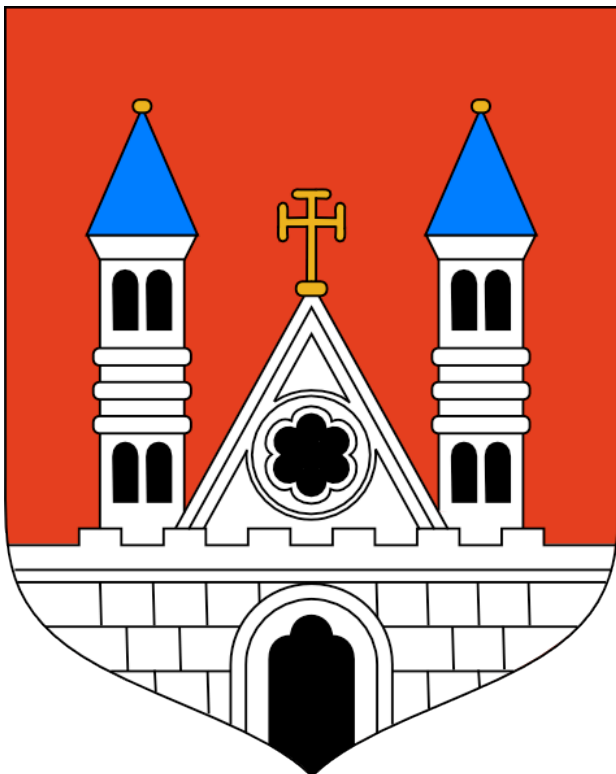

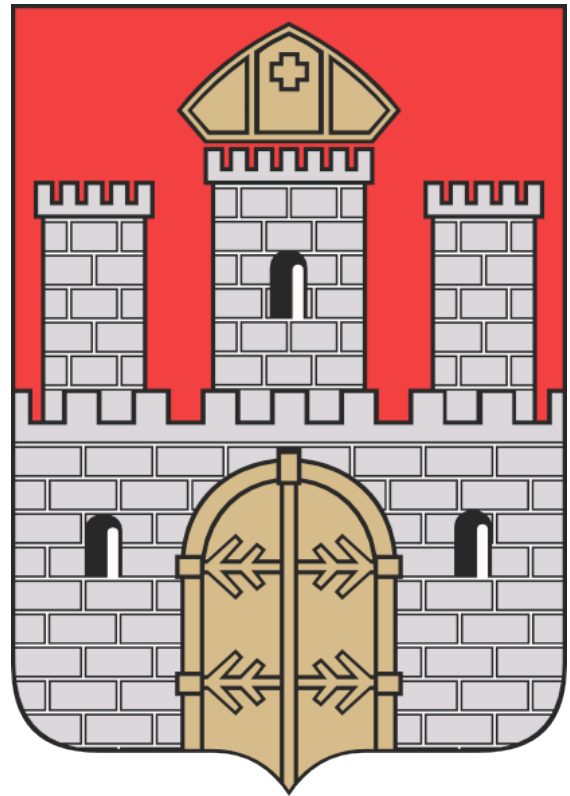

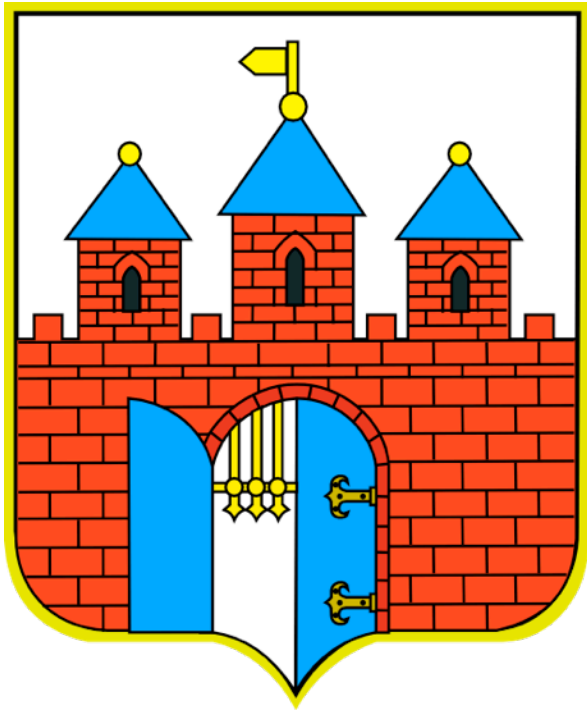

A blank shield is included to help you create your own coat of arms / shield as a craft project. You can add symbols to your shield with the objects included on the following pages. Coloring pages are also included in this activity pack.
