Matching Memory Game

Print doubles of these airplanes to create a matching or memory game. Simply lay all cards flat face-down on a table and have child flip up one at a time to match. With one card flipped upwards, flip another card face-up. If that card does not match, turn it back over (face-down) and proceed to turning one card face-up at a time until a match is found. Repeat until all cards are matched.

Runway Craft
