The season of advent is a time of celebration and reflection. Reading the relevant verses can be a time to enjoy the true meaning of Christmas. You can print these ornaments on any type of paper. To create an ornament with a fancy background print it on scrapbook paper. Ornaments and corresponding verses are provided and can be printed from front to back. Print doubles to create a memory or matching game. These ornaments can be both a craft and a teaching tool. Be creative and decorate any way you wish. One blank page is included for fun. Numbered ornaments can be used as part of an advent countdown.
